Yiddle Riddle	Be a Part of the TCS!	High Holiday Info
<p>Last Week's Answer Exodus 16:16. This verse, which contains all the letters of in Hebrew alphabet, describes the gathering of the miraculous manna which fell in the desert: "This is the thing that G-d commanded: Each person should gather of it as much as he needs to eat, an omer-measure per person, according to the number of people each man has in his tent." This teaches that whoever fulfills the Torah in its entirety - "from aleph to taf" (the first and last letters in the Aleph-Beis) - will be assured of his sustenance by G-d.</p> <p>This week's Question: What letter from the <i>Aleph Beis</i> is missing from the <i>Bircas Hamazon</i> and why?
